

ABOUT US ■

DARK HORSE MEDIA isn't your average Media Advertising Agency.

We believe in delivering an all-round media service to our clients which includes SEO, SEM, Google AdWords, Website Designing, Graphic Designing, Logo Creation and Social Media Marketing. We believe every brand deserves to have a buzz created around itself in the market. Combining our creativity with our market knowledge, we give your brand the presence while incorporating an apt brand strategy.

HISTORY BEHIND THE NAME

Like the animal itself, we take inspiration from horses when it comes to the dedication, focus, and strength it portrays. Like horses, we take in every client's challenges and convert them into something incredible.

OUR SERVICES

Branding:

Our creators strive to make your brand the best it can possibly be! We ensure we pique the interest of the user and convert them into customers as well as keep them engaged.

Digital Marketing:

In today's Cyber Age, we ensure your brand has the top spot in cyberspace. With Services like SEO and SEM, we ensure your brand gets featured in top web results and across all platforms.

Design:

We believe design is just as important as content which is why put our energy into delivering graphics that capture the essence of your brand.

Website:

Our skilled web developers strive to make websites that are user friendly, creative and informative to every user. We Believe in creating a website as unique as your business. Taking your business places, through your website, is our priority.

SEO

SEO

SEO or **Search Engine Optimization** is a set of rules for optimizing your website to improve search engine rankings.

This improves the quality of the website by making it user friendly, faster, and eases the navigation process. Because of the intense competition in today's market, SEO is a pre requisite. Search engines serve millions looking for answers. SEO makes sure your business features in those answers. The majority of search engine users are most likely to click on the top answer the search engine serves.
